

10" Android 7 ToughTablet

Hot Swap Battery

The BCX-T11 is a really tough 10 inch industrial/commercial tablet. Coming in at just 980 grams, it is water and dust protected to IP67 yet offers a hot swap long life battery to ensure continuation of operation for as long as you need.

Available in Windows or Android

The BCX-T11 is available with either an Android (BCX-T11A) or Windows (BCX-T11W) operating system, so it is able to for whatever you prefer.

Fully loaded

Packed with features and a full communication package plus plenty of optional accessories, like a 2D barcode reader, this is a true companion tablet.

All weather use

Housed to IP67 standard, the BCX-T11 is fully waterproof, meaning it can go wherever you need, regardless of the weather.

Applications

Ideal for all field worker applications.
