

### Product Overview:

An Android 7 terminal with built-in 2D scan engine allows the BCX-710 to pick up any code easily. This makes operators far more efficient during busy shifts with high traffic. A pistol grip option also makes the BCX-710 extremely comfortable to hold and dramatically reduces operator fatigue over time. NFC is also supported, so payment applications are fully compatible, and the device can stay connected while roaming thanks to dual band Wi-Fi, Bluetooth and 4G connectivity.

Factor in the fingerprint detection, 5" sharp colour display and the 4000mAh battery, and the BCX-710 is one of the most efficient and dependable scanners around. It also has incredible tough housing which can withstand accidental drops of up to 1.5 meters, and its IP67 seal rating make it reliable in just about any condition. Once the workforce start using the BCX-710, they'll wonder how they ever did without it.

### Reasons to buy:

- \* Android 7 terminal.
- \* Pistol grip option handy in a warehouse.
- \* 5 inch colour touch display.
- \* Dual SIM, dual WiFi for permanent connectivity.
- \* Dual band WiFi, bluetooth 4G and Dual SIM card

# BCX-710

## Android 7 Smart Terminal

### Key Features:

#### Latest technology Android terminal

The BCX-710 Android terminal is brimming with features; connectivity, robustness and flexibility, like finger print detection, high speed 2D barcode reading, all with a long life battery.

#### Stay connected

The BCX-710 terminal has dual band WiFi, 4G and dual SIM slots to cover all the host connection required. Combined with Bluetooth to allow local connection to peripherals, such as printers.

#### Go anywhere terminal

The BCX-710 housing is sealed to IP67, offering full protection from water and dust, making it ideal for field workers. Combined with a 1.5m drop test, this is really a tough 'go anywhere' terminal.

#### Versatile

The BCX710 has an optional docking/charging station and optional pistol grip preferred by many for ease of use. Additionally the BCX710 has a full colour touch screen making it easy to view and operate.

#### Ideal for...

Retail (apparel) - Healthcare - Manufacturing - Field workers
