

### Product Overview:

The MT65-III Beluga, a state of the art Android 7 terminal offers a snappy and responsive user experience. Integrated Wi-Fi, Bluetooth and 4G make it an easy winner for long shifts out in the field. The Beluga also comes equipped with 'Buckets' MDM software as standard, allowing the unit to be controlled remotely.

A megapixel camera offers fast and accurate scanning of both 1D and 2D codes, and the casing is designed to withstand drops of up 1.2 meters. It's also protected against dust, grime and water thanks to its IP65 sealing. With charge cradle included and an optional pistol grip for more accurate and comfortable scanning.

### Reasons to buy:

- \* Fast reading mega pixel scanner.
- \* Loaded with features to carry out most workplace terminal requirements.
- \* Comes complete with charge cradle and optional pistol grip and a large 3700mAh battery capacity.
- \* Multiple connectivity WiFi, Bluetooth, 4G.
- \* The housing will withstand 1.2m drops and is sealed to IP65 standard.
- \* Comes with free 'Buckets' MDM software enabling remote control of unit in the field.

# MT65 Beluga III

## Android Portable Terminal

### Key Features:

#### 2D mega pixel scan engine

The Beluga comes armed with Newland's fifth generation of imaging technology 2D megapixel barcode reader, providing flawless performance day after day. High resolution means that even small or slightly damaged barcodes can be read from a distance, making scanning more efficient while reducing downtime.

#### Buckets of potential

All Beluga models come equipped with 'Buckets' - Newland's mobile management software. Buckets allows one administrator to control all devices in the field, so pushing updates and making changes in real-time is child's play.

#### Durable and rugged

The MT65 Beluga III can take a hit, with IP65 standard sealing offering protection from dust, dirt and water. Thanks to its rugged housing, the Beluga has been tested with a drop resistance of up to 1.2m with zero damage.

#### Android 7.0 Nougat

The Beluga has almost endless application possibilities thanks to its Android 7.0 Nougat operating system. Security comes as standard, along with all the admin tools users might need for ultimate control and peace of mind.

#### Ideal for...

Logistics - Express Delivery Services - Warehouse Management - Retail Chains - Food Traceability -  
Healthcare - Distributor Management - Manufacturing - Electricity Meter Reading - Inventory Counting
